SNGCSA Legacy Award Program

Your scholarship application will be judged by its appearance. It is important to remember the following tips:

1. Read the instructions carefully.
2. Request information that you have to obtain from others early. When your school will be sending transcripts directly to us, check back with the school about a week after you make your request to make sure your transcripts have been sent.
3. If you have questions, call the number on the application.
4. Try and have your application arrive as early as possible.
5. Provide all the information required. Do not submit an incomplete application.
6. Do not include extra items.
7. Proof all materials. Have one or two other people proof your essay. Use spell check.
8. Type your application. If you do not have a computer or a typewriter, go to the computer lab at your school.
9. Be neat. If you need additional pages to fully answer a question, use them.
